To All...IRHA Members and Friends

As we start a new era of IRHA, I am looking forward to making IRHA Great Again.....

I would like to congratulate everyone that qualified for the Mountain Region Affiliates and made the trek to Denver and to Oklahoma City and the North American Finals. Congratulations to everyone that achieved their personal goals. Looking back we can reflect on our accomplishments; good rides to great rides and not so good ones. Renewing old friendships, making new ones, new horses, trusting old ones, we have all learned something new and have grown from these lessons.

I, myself learned several lessons.....

Lesson One: The Intermountain Reining Horse Association is the great group of people, that are willing to help one another achieve their goals.

Lesson Two: As an organization we need keep moving forward, sometimes look at our past to improve the future.

Lesson Three: Volunteers are a vital part of any organization, without volunteers we cannot move forward.

Lesson Four: There will be more lessons to come for all of us in the coming years.

As we start to move forward and get ready for the 2018 show season, IRHA is in need of a "strong and active" Board of Directors.

IRHA Board of Directors:

4 elected officers - President, Vice President, Secretary, & Treasurer

4 elected Board Members - 2 year terms

4 elected Board Members - 1 year term

Up to 4 Board Members appointed by current Board

Our first board meeting will be January 30, 2018 at Jim's Restaurant (10640 S. Holliday Pkwy (160 W.) Sandy, UT at 7:00 pm. Agenda to follow.....

LET'S MAKE IRHA GREAT AGAIN
